

Chris Grimm AEC Specifications Consulting, LLC

Mr. Chirs Grimm, AEC Specifications Consulting, LLC, has 25 years' experience in construction documents, most of which has been in specifications for small- to medium-sized firms, on up to large A/E firms. His specialty includes rallying the disciplines together for how to write specs, and filling in where needed with training or specs when others were not sure the best approach. He has been independently specifying and training since 2014.
