

Steve Blinderman, PE President / Chief Operations Officer

Blinderman Construction

As President and Chief Operating Officer, Steve is responsible for leading the day-to-day management of the company. This includes policy making, strategy development and oversight of all work acquisition and operations activity. Growing up in a family-owned business, Steve began his career at Blinderman on jobsites, as a laborer. Over the years, he has held positions in Estimating, Project Management, Field Supervision and since 1996 as company President. His deep understanding of the construction management world has proved to be invaluable in providing our clients with the singular care and smart solutions required for realizing certain success. Inside the firm, Steve actively mentors our staff to achieve superior results.

Steve has been an active member of the Lake Michigan Post of the Society of American Military Engineers (SAME), a professional organization dedicated to fostering a public/private partnership in the interest of national security. As Board Member, Treasurer and Post President, Steve has been instrumental in fundraising for STEM scholarships and in developing outreach events to educate and promote opportunities for small and disadvantaged businesses in the federal marketplace. In recognition of his dedicated and outstanding service to the society, Steve has been bestowed with the designation of SAME Fellow. Steve also served for ten years as a Board member and Board Chair of YouthBuild Lake County, a not-for-profit located in North Chicago which provides education and job training to at-risk youth.
